QUALITY POLICY

This quality policy defines the way in which Bomac Electric will consistently meet its expected outcomes regarding Quality performance.

It is company policy that our activities, products and services satisfy customers' needs and expectations.

It is company policy that we will fulfill our compliance obligations regarding statutory, regulatory and other requirements to which we subscribe. We will set appropriate objectives for improvement (normally at Management Review)

Our overriding objective is the continual improvement of our management system. In this way, we intend to enhance our Quality performance, our customer satisfaction and the satisfaction of any interested parties. This policy is published on our web site, and is available to any interested party.
